Former Chester Man Dead

News has just been received in this city of the death of Mr. W. T. Ferguson, a native of this county but for the past twenty years a resident of Texas. The death was sudden and occurred while Mr. Ferguson was on his way from his home at Corsicana to San Antonio. He was riding in a buggy by himself when a man who was following him saw his hat fall off in the road and going to him found him dead in his buggy. This occurred on Nov. 3rd. The funeral was held the next day at home and was conducted by Rev. D. N. McLaughlin, of Austin, Texas. The deceased was about sixty-four years of age and is survived by his wife, six sons and one daughter as follows: Ed, Herbert, Clarence, Ernest, Arthur, and Mrs. Mary Alfred.

Mr. Ferguson was a native of Landford township in this county. He married Miss Nannie McRadden, a sister of Mr. John O. McRadden. While a young man he served in the Confederate army as a member of the cavalry. About twenty years ago he moved to Texas, settling within two miles of Corsicana where he resided at the time of his death. He was a staunch citizen and his death is universally regretted.

Mrs. W. B. Cox is representing the Mary Adair chapter, D. A. R., at the meeting which is in session in Greenwood this week.

### UNION MEETING SABBATH NIGHT

Laymen of All the Churches Will Meet at the Presbyterian Church at Seven Thirty O'clock Sabbath Evening.

In general with other parts of the country the laymen of the Chester churches will hold a union meeting Sabbath night at 7:30 o'clock at the Presbyterian church. This time has been decided upon instead of 8:00 as previously announced. A committee consisting of Mr. M. S. Lewis, of the Presbyterian church, Mr. G. L. Anderson, of the Methodist church, Mr. R. R. Moffat, of the A. B. P. church, and Capt. W. H. Edwards, of the Baptist church, met last night at the home of Mr. G. E. Anderson and arranged the program for the union meeting on Sabbath night.

The services will be opened with song followed by a short statement, which is sure will be followed by another song. There will be short prayers by Messrs. J. A. Haffner, Joseph Lindsay, L. D. Childs, and Dr. G. C. Johnston. This will be followed by scripture reading by Messrs. W. J. Irwin, J. B. Dye, W. D. Knox and Dr. J. B. Bigham, which will be followed by a song. Ten minute talks by Messrs. Wm. McKinnel, J. K. Henry, and J. L. Glenn will be made. There will be another song followed by the benediction.

It is important that the people not change the time from 4:30 o'clock to 7:30 o'clock Sabbath evening and the meeting place is the Presbyterian church on Wylie street. As a consequence there will be no services at any of the other churches Sabbath night. The service is the outgrowth of a call sent out by the Laymen's Missionary Movement, meeting at the Methodist church, November 14th, as a day of prayer for the success of the great campaign of endeavor undertaken by the Laymen's Missionary Movement. A national missionary campaign for the United States has been undertaken by the Laymen's Missionary Movement which involves a host of men's convictions in 75 of the leading citizens of the country, a series beginning in Buffalo, October 1st to the 10th, culminating in a national missionary congress in Chicago from the 8th to the 10th, 1910.

Sabbath, November 14th, the evening of the 32nd anniversary of the movement is to be observed in general day of prayer for the success of the campaign. The meeting in this city Sunday evening is a union meeting of the laymen of all the churches and a tremendous crowd is expected to attend at the Presbyterian church. The services begin promptly at 7:30 o'clock.

To Feed Without Choking.

There is much danger of choking cattle if small potatoes and apples are fed whole, and it is a big job to cut or mash them if a large quantity is to be fed.

It is perfectly safe to feed either to hogs or sheep in any kind of a feed trough, but not so with cattle. With the following method, however, they can be fed safely.

If two pieces of timber are put just far enough apart so the animal's neck can be held between them, and a hole bored through at such a height that the cow will be prevented from raising its head up to a level with the body, there will be no danger of choking. J. S. Woodward, in the Indiana Farmer.

All persons are hereby warned under penalty of the law not to hunt, fish, trap, snare, or shoot at any deer, wild fowl, or other game, or to molest upon lands owned or controlled by the undersigned.

**Chester Women Are Finding Relief at Last**

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching back, or headaches, dizzy spells, breaking-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with aching pains in many aches from the "KIDNEY disease" more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only help and cure the kidneys and is endorsed by people you know.

Mrs. E. A. Hardin, 156 E. Long St., Chester, S. C., says: "For some time I suffered from weak kidneys and although I was never troubled with pain in my back, I was caused much annoyance. The kidney secretions were too frequent in passage and at times, a retention existed. I felt nervous and was in misery most of the time. Finally decided to try Doan's Kidney Pills and procured them at the Chester Drug Co. I am glad I did so as the results that followed their use have been so satisfactory that I know it will only be a short time before I am in good health. I have no hesitation in giving Doan's Kidney Pills my endorsement."

For sale by all dealers. Price 50 cents. Chester-Milburn Co., Buffalo, N. York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Wm. J. Lehigh of Little Rock, Ark., was an exile from home—Mountain air he thought would cure a wife's long-racking cough that had defied all remedies for two years. After six months he returned, dragging dogging his steps. "Then I began to use Dr. King's New Discovery," he writes, "and after taking six bottles I am as well as ever." **To Change Umbrella Handles.**

Sometimes a person would like to change an expensive umbrella handle to another umbrella and fasten it or sold. This can be done by clients on the hole left in the handle from the old rod and filling the hole with powdered sulphur. Place the handle in a pored sulphur position and after heating the umbrella rod red hot push the rod down into the hole containing the sulphur. The hot rod fuses the sulphur and when cool it will hold the rod solid. This method may be applied to fastening rods into stone, iron or wood—Popular Mechanics.

Mrs. Louie Hill, 428 Outten St., Danville, Ill., writes, October 1st: "Foley's Kidney Pills started me on the road to health. I was treated by four doctors and took other kidney pills, but got worse, and was unable to do housework and the doctor told me I could only live from two to four weeks. I am now so much better that I do all my own work, and I shall be glad to tell any one afflicted with kidney or bladder trouble the good results I received from taking Foley's Kidney Pills. They are a blessing and are well. Do not risk Bright's Disease or diabetes. Shlader Drug Co."

That variety of persons who are trying to prove that they are just as good as you are add to the fatigue of society.—Newspaper Column.

"Now, then, boys, if you had to address a large box of tea on the one hand and a schoolmaster on the other, what would be the difference in your form of salutation? Of course you will reply 'We don't know.' Well, we will tell you. A large box of tea you would address as 'then tea'; and a schoolmaster you would write 'then tea'." "That's right." This is the difference, you see.—London Scripps.
